

Trainee applicants need **one letter** from their program director with the following requirements:

- Must be printed on official hospital/institution letterhead
- Must confirm the applicants' status as a trainee
- Must briefly describe the nature of the training program
- Must state the estimated date of the training program's completion (month and year)
- Must contain the program director's written (not electronic) signature

Please upload this letter directly with your online application to reduce processing times.
