

The AST Community of Transplant Scientists will be awarding **five COTS ATC 2023 Travel Grants** for the upcoming 2023 American Transplant Congress (ATC).

Grant for reimbursable expenses up to \$500 to attend ATC including registration and travel expenses.

Qualifications for the COTS ATC 2023 Travel Grant

- Current Trainee (**Applicants do not need to be AST members**)
- Applicant must be the lead author of the research project
- Research project abstract must have been submitted and accepted for presentation (oral presentation or poster) at the 2023 ATC
 - Research project must be broadly relevant to the field of transplant science

Application Materials Needed to Apply for the Travel Grant

- [COTS ATC 2023 Grant application](#)
- Letter from the Trainee's research mentor confirming trainee status and role in the research
- ATC abstract
- ATC abstract acceptance letter
- Trainee Applicant CV or résumé

The applications will be judged on the research quality, impact, and novelty.

The Society remains committed to a diverse and inclusive culture. The membership is encouraged to consider nominations with an eye towards diversity in age, gender, ethnicity, and race, and other underrepresented minorities [as defined by AAMC](#).

Recipients will be expected to attend ATC 2023, the AST Townhall, and the COTS annual meeting.

Deadline for applications is **March 15th**.

Please note that if you have already won a COTS grant in the past, you are not eligible. While you are permitted to apply for more than one COP ATC 2023 Travel Grant, you can only be awarded one grant. In the case that you are selected for more than one grant, the applicant will choose which to accept. Recipients of the ATC Young Investigator Travel Award are ineligible for this grant. Limit one submission per individual.
