The applications will be judged on the research quality, impact, and novelty. Grant recipients will be expected to present their research at ATC. Recipients will be expected to attend ATC 2023, the AST Townhall, and the WHCOP annual meeting.

The Society remains committed to a diverse and inclusive culture. The membership is encouraged to consider nominations with an eye towards diversity in age, gender, ethnicity, and race, and other underrepresented minorities [as defined by AAMC](#).

The deadline for applications is **March 15, 2023**.

*Please note that if you have already won a WHCOP grant in the past, you are not eligible. While you are permitted to apply for more than one COP ATC 2023 Travel Grant, you can only be awarded one grant. In the case that you are selected for more than one grant, the applicant will choose which to accept. Recipients of the ATC Young Investigator Travel Award are ineligible for this grant. Limit one submission per individual.*
