You'll receive a card from us for every new member you refer; you are also always welcome to contact us and we can provide you with the names of your referred members.

How many times can I be entered in the prize drawing?

There is no limit to how many times you can be entered in the prize drawing. Each referred, approved member to AST will count as one entry. Refer 3 approved, new members – receive 3 entries!

No, program rules limit free membership to one year. But you'll still receive an iPad and exceptional recognition!

When will winners be selected?

What if I don't win any of the prizes?

Even if you are not selected as a prize winner, your contribution to AST is still valuable. You'll be recognized with your name published in an issue of the E-News, and listed on the AST website.

Is there anything else I need to know?

Only completed, paid, and approved applications will count towards your total. And most importantly, make sure the applicant puts your name down as the recommender. If an applicant lists multiple names, only one name will count towards any prizes or membership.
